

HIV COMMUNITY LINK

Michael Peters is Director, Alberta with Global Public Affairs, a national government relations consulting firm. His responsibilities focus on environmental legislation, regulatory affairs and environmental policy in the federal, northern and Alberta jurisdictions. In that capacity he worked extensively with federal and territorial governments on policy, legislative and regulatory developments, focused on providing solution-oriented issue management. In addition to his professional work, Mike also volunteers with Shader Kids, a not-for-profit focusing on fostering youth leadership through outdoor experiences by helping kids attend summer camp. This is Mike's second year on the Board of HIVCL and he's really excited by the organization's mandate and role in the community, and looks forward to continuing to contribute his experiences in dealing with government and navigating complex policy issues to helping the organization succeed. Mike holds a BA in Political Science from Dalhousie University and a Masters in International and European Politics from the University of Edinburgh in Scotland.

(prevention + support + advocacy)
